## TENACE - CHIANTI RISERVA D.O.C.G.

TENACE is a wine designed for ageing that comes from only **red grapes**, It has an exclusive colour, fragrance and taste, result of 24 months ageing.

## **WINE DETAILS**

Classification: Chianti Riserva D.O.C.G.

**Production area:** Vinci – Florence – Tuscany

Vine variety: 85% Sangiovese Grosso, 10% Colorino and 5% Canaiolo

**Production technology:** The grapes are harvested by hand and channeled into stainless steel tanks where the alcoholic fermentation begins at a controlled temperature of 28°C 30°C, with avarage maceration time of 20 days. Daily reassemble interventions and targeted délestage techniques are

then carried out to improve extraction of color, flavors and scents.

Ageing: 12 months in French oak barrels, followed by ageing in bottle before release.

**Storage:** 5 years after bottling.

**Alcohol content: 13.5%** 

**Tasting notes:** Deep ruby red color, tending to garnet. Large and elegant aroma with notes of ripe red fruits and spices. The palate has a harmonic input. Excellent balance between tannin origin and final result, with a lasting finish of licorice and tobacco.

Serving temperature: 18° C – 20° C

**Food pairing:** The tannins make it a wine suitable for savoury dishes with deep aromas, cacciagione meat stew and aged cheeses.

## **ORGANIC PRODUCT CERTIFICATION**
